

Ympäristö & Yritys Tänään

(Environment and Enterprise Today) is a publication aimed to produce valuable information for enterprises, environmental decision-makers and schools

Ympäristö ja Yritys Tänään (Environment and Enterprise Today) stays up to date with environmental issues from business owners and business' point of view. It is an immense help in the process of decision-making and gives out valuable ideas to executing sustainable development in ones business.

The readers consist of industrial, real estate, construction, and environmental companies on environmental issues as well as the training institutes educating the industry. The publication is also presented in the biggest fairs and events throughout the year.
